

**“FROM GUTTER TO GARDEN...
...FROM ROOFTOP TO TAP”
RAINWATER HARVESTING TRAINING**

A day-long intensive learning experience in technical and best practices aspects of **RAINWATER HARVESTING**, tailored for **Parksville, Nanaimo, Qualicum Beach**, and the surrounding areas. Emphasis will be on design of systems that work, based on national and provincial standards and regulations, and on regional climatic data. Certification is offered through an optional examination to be taken on-site after the seminar.

**Tuesday,
October 22
Parksville, BC**

WHO SHOULD ATTEND?

irrigation specialists, landscape architects and designers, architects, planners, engineers, landscape installers, general contractors, developers, roofers, gutter suppliers, pool and pond specialists, plumbers, educators, building/plumbing inspectors, municipal employees, water treatment specialists,
